

Experienced Investment Banking Analyst

Cascadia Capital:

Cascadia Capital is a team of client-focused, trusted advisors with deep expertise in a broad range of industries. We partner with our clients to deliver results based on our industry domain expertise, transaction experience, and commitment to long-term relationships. We're different from most investment banks, our advice is not conflicted by lending, trading, research or cross-selling business.

Cascadia is seeking an experienced Investment Banking Analyst to join our team based in our Seattle headquarters. This is a unique opportunity to join a collaborative and fast-paced culture and play a key role in Cascadia's continued growth and success. This Analyst role is an important part of Cascadia deal teams and as such, candidates must have at least 1 1/2 years of investment banking experience. Analysts are responsible for developing and reviewing financial models (B/S, IS, CFS) and valuation models, drafting information memorandums and management presentations, managing due diligence efforts working directly with management teams and buyer/seller groups, and researching tech industry trends, companies and M&A counterparties.

The Ideal Candidate Will Have the Following Skills and Experience:

At least 1 ½ years of experience in middle market investment banking, working with technology clients

- Excellent financial and data analysis skills
- Demonstrable knowledge of and passion for investment banking
- Critical/strategic thinking capability
- Strong financial modeling skills
- Excellent writing and verbal communication skills
- Team player, strong ability to collaborate and deliver solution-based results
- Outstanding quantitative and technical skills, including strong Microsoft Office knowledge
- Basic accounting knowledge
- Strong work ethic, self-motivated, proactive work habits
- An effective communicator, able to adapt communication style to different audiences
- Outstanding client service mindset and capabilities
- BA/ BS degree

We would enjoy the opportunity to speak with you further about this role.
