**K&L GATES**

K&L Gates is one of the largest law firms in the world, with more than 45 offices across the globe with nearly 1,800 lawyers. The firm is committed to the support and growth of emerging growth companies throughout their whole cycle of growth, from formation through their fund raise, venture capital transactions, licensing of technology, commercial transactions, mergers and acquisitions, joint ventures, and public offerings.

Its Emerging Growth and Venture Capital practice is focused on helping emerging growth companies and their stakeholders navigate their journey from formation through exit. Its lawyers work seamlessly across its global platform, pulling in the knowledge of professionals from multiple industries and practice areas, including corporate, finance, labor, employment, and workplace safety, intellectual property, and public policy. K&L Gates lawyers have strong ties to universities, incubators, investors, funds, and foundations, and can support our clients in almost any line of business. Its team helps clients on a daily basis in connection with their venture capital financing, licensing, intellectual property (including patents), litigation, and regulatory matters locally, nationally, and internationally.

If you are interested in learning more about how K&L Gates LLP can help you or your business, visit [www.klgates.com](http://www.klgates.com).
